If the entry limit is not reached in one test and the entry limit is exceeded in another test, the Test Secretary may exchange the number of tracks through plotting day. The following substitution rule will be used: 2 TDs = 1TDX = 1 VST.

In the event of extreme weather conditions, OHCA reserves the right to cancel these events in accordance with AKC regulations.

Unentered dogs are not allowed on the tracking grounds.

Closing date: Wednesday, August 24, 2011, 5:00 p.m. after which time entries cannot be accepted. All entries will be accepted until the official closing date & time, even if the advertised limit has been reached.

Entry Drawing: A drawing to select entrants and alternates will be held on Wednesday, August 24, 2011, at 6 PM at Ayutla's Restaurant, 630 East Simcoe Drive, Goldendale, WA, 98620. Entrants are invited to attend. The drawing will be random except that preference will be given as follows:

1. Otterhounds without a TD, TDX or VST title;
2. Otterhounds with a TD, TDX or VST title.

After 4 TDs, 2 TDXs and 2 VSTs have been drawn, all remaining entries will be assigned a numerical ranking on an alternate list corresponding to the order in which they were drawn.

Alternates: Alternates will be asked if they wish to stay on the list in the event of a withdrawal. Those who do are requested to attend the track draw on September 8. Alternates not used will receive full refund of entry fees. OHCA will also refund fees to any confirmed entrant who withdraws from the test, by written or email notification to the Test Secretary by September 7, 2011, at 11 AM provided that an alternate entry participates in the test as a result of the withdrawal.

All TD and TDX entrants must be present at the Bear Creek Pheasant Farm meeting room by 9 AM, September 8, 2011.
